## **CHINA DISTANCE EDUCATION HOLDINGS LIMITED ANNOUNCES SHARE REPURCHASE PROGRAM**

**BEIJING, China,** November 20, 2008—China Distance Education Holdings Limited (NYSE Arca: DL) (“CDEL”, or the “Company”), a leading provider of online education in China focusing on professional education, today announced that its board of directors has approved a share repurchase program effective November 20, 2008. Under the approved program, CDEL is authorized to repurchase up to US\$10 million worth of its issued and outstanding American Depositary Shares (“ADSs”) from time to time in open-market transactions on NYSE Arca. The repurchases will be made at prevailing market prices, in negotiated transactions off the market, in block trades, pursuant to a 10b5-1 plan (which if adopted, will allow CDEL to repurchase its ADSs during periods in which it may be in possession of material non-public information) or otherwise. The purchases will be made subject to restrictions relating to volume, price and timing. The timing and extent of any purchases will depend upon market conditions, the trading price of its ADSs and other factors. CDEL expects to implement this share repurchase program over the next 12 months, in a manner consistent with market conditions and the interest of its shareholders. CDEL’s board of directors will review the share repurchase program periodically, and may authorize adjustment of its terms and size accordingly. The program may be suspended or discontinued at any time.

“The approval of this share repurchase program by our board of directors reflects our confidence in the company’s future and our desire to create long-term value for our shareholders,” said Zhengdong Zhu, CDEL’s Chairman and Chief Executive Officer. “Our current cash position provides us with the flexibility to implement this share repurchase program without impacting our growth strategies and other strategic opportunities.”
